### OUR VISION:

**“As a church community, we seek to encourage everyone to grow to be more like Jesus, following Him at all stages of their lives; be open to being church in new ways and new places, while affirming and strengthening the old where it is still serving us well; bear witness to the God in whom we believe by serving in our working, social and community lives, following the example of Jesus; and strive to make the best use of all that God has given us to build up his Kingdom.”**
