Please Pray:

For peaceful resolutions to conflict and for harmony to come to troubled areas;
for those impacted by natural disasters, and protection of all aid workers;
for comfort for all those who are grieving for loved ones;
for all who are unwell, having treatment, recuperating or awaiting medical results;
for the work of Tearfund, our retiring collection during April;
for those who prepare children's talks;
for the churches of the East & West Wellow and Sherfield English area;
that the Lord will bless all who live in St Evox Close & Redward Road.

This week's Eco Tip: Journey on foot, indulge in a leisurely stroll, or opt for a bike ride along a cyclist-friendly route. Consider connecting with your local Ramblers or cycling group for shared experiences. Use the extra steps or the changed travel arrangements as a prompt to pray for God's creation, nature's preservation and the reduction in fossil fuel usage.

Quote by Pastor Agu Irukwu. I genuinely believe that God answers prayers. I believe from Genesis to Revelation the Bible tries to get one message across to us: that we have a Father who cares, who listens, who loves it when we speak to Him, and who responds when we speak to Him.
