Quote of the Week: Every path has its puddle. (Proverb)

Please Pray:

For peace where there is conflict, and for all those impacted by wars;
for people who have lost loved ones, or had to leave their homes and families;
for all who are unwell, having treatment, recuperating or awaiting medical results;
for all our PCC members – for wisdom to make decisions;
for the work of Southampton City Mission, our Retiring Collection in May: that all those involved will be blessed;
for Maybush St Peters: one of our SO16 partners;
for more volunteers to join the rotas that enable our services to run each week;
that the Lord will bless those who live & work in Rownhams Lane.

This Week's Eco Tip - Cut your Carbon in Garden Centres. (1). Use peat-free compost. (2). Imported plants carry a greater risk of introducing pests & diseases. (3). Is the pot biodegradable? (4). Plants with simple flowers (without lots of petals) are more likely to attract bees & butterflies. (Source: A Rocha)
